### **IOTA QSO matching LoTW**

Islands On The Air (IOTA) Ltd is delighted to announce the implementation of the ARRL application which allows the use of QSO matching via LoTW. We wish to thank ARRL for having made their application available. This will allow IOTA chasers to obtain credits by matching their logs with those at LoTW in addition to those at Club Log.

### **COVID-19 Radio Communication Event**

DATE: JUNE 06-07, 2020.

Starts 10.00 UTC SATURDAY – Ends 09.59 UTC SUNDAY

For amateur radio operators worldwide, social distancing is not an issue. Our ham radio network of radio-wave signals flies high and wide, across all borders near and far.

Amateur radio operators are well-known for their communication skills during the happy days, but also during times of crisis. Even if ham radio operators are now confined to their homes, they are encouraged to communicate, to enhance their friendships, and to keep their minds and skills sharp for global messaging whenever needed.
